English • Spanish • Dutch

My name is Marta. After following a Web Designer educational program in 2018-2019, I realized what my professional interests are, hence the reason to go one step further and join the Noah Road Front-end Development program to further prepare myself for my new career.

## WORK EXPERIENCE

### TRAINEE FRONT-END DEVELOPMENT • NOAH ROAD • DEC 2019-PRESENT

Learn and practice building websites using the web technologies.

### CREDIT RISK OFFICER • TD BANK N.V. • 2012 – (DEC) 2017

Responsible for the credit limits administration and monitoring of the bank's credit limits and exposures and coordination point between TD Bank N.V., Canadian Headquarters and other Business Units.

Maintenance, optimization and testing of different internal processes with the purpose of increasing the productivity level of the credit risk administration.

### SUPPLY PLANNER • DIAGEO ESPAÑA S.A. • 2010 - 2011

Responsible for ensuring the product supply for the Iberia Hub in due time and form and to achieve optimum balance between availability/inventory, value/service, in coordination with commercial, marketing, finance and innovation function.

### CREDIT CONTROLLER • DIAGEO BRANDS B.V. • 2005 – 2010

Responsible for the Credit Control and Accounts Receivable Service to customers of Diageo Brands B.V. and to support the department by developing and implementing processes to maximize the cash collection and minimizing bad debts within the areas of responsibility. Produce data to support decision making in the finance and other business areas.

### BUSINESS SERVICE ANALYST • SONY BENELUX B.V. • 2002 – 2005

Responsible for the coordination between the customer and the different operational departments. I was designing and conducting surveys to measure customer and employee satisfaction and organize and coordinate EAS (European Accounting Services) communication. Prepare and maintain EAS service performance reports based on KPIs as input for meetings.
